ATCO Power Australia (Karratha) Pty Ltd Minor amendments to Electricity Generation Licence 21

The Economic Regulation Authority has approved minor amendments to ATCO Power Australia (Karratha) Pty Ltd's electricity generation licence 21 (EGL21), version 4 to correctly state the licence's commencement and expiry dates.

Incorrect commencement and expiry dates were put in version 4 of the licence when it was approved on 1 July 2018 as part of the [Electricity Licence Review 2018](#).

In accordance with the ERA's [Public Consultation Guidelines – Electricity, Gas & Water Licences and Electricity & Gas Standard Form Contracts](#), as the licence amendments are minor, they were not made available for public comment prior to approval.

The licence amendments are effective from 1 November 2018.

[EGL21, version 5](#), is available on the ERA's website.
