## **Proposed Revisions to the Western Power Network Access Arrangement 2017/18 to 2021/22**

### **Western Power submits amended proposed access arrangement**

Western Power has submitted an amended proposed access arrangement in response to the ERA's [final decision](#). The amended proposed access arrangement and supporting documents are available on the ERA's [website](#).

Under section 4.22(a) of the *Electricity Networks Access Code 2004*, the ERA must publish a further final decision within 15 business days of receiving a service provider's amended proposed access arrangement.

To allow the ERA to properly consider all matters, section 4.66(j) of the Access Code permits the ERA to extend the deadline for the publication of a further final decision by an additional 15 business days.

As permitted under the Access Code, the ERA has decided to extend the deadline and will publish the further final decision no later than 2 January 2019.
