

## Rule Change Extension Notice: Administrative Improvements to the Outage Process (RC\_2014\_03)

This notice of extension is given under clause 2.5.12 of the Market Rules.

**Submitter:** Kate Ryan, IMO

**Date submitted:** 27 November 2014

**Date of extension:** 17 December 2018

In accordance with clause 2.5.10 of the Market Rules, the Rule Change Panel has further extended the timeframe for the publication of the Draft Rule Change Report for the Rule Change Proposal titled “Administrative Improvements to the Outage Process” (RC\_2014\_03) until **5:00 PM on Tuesday 31 December 2019**.

Dates for subsequent steps of the rule change process have been adjusted accordingly.

### Reason for the Extension

To further progress this Rule Change Proposal, the Rule Change Panel requires input and assistance from AEMO regarding options to achieve the intent of the Rule Change Proposal and the associated implementation costs and timeframes. AEMO has indicated that it does not currently have the resources to consider this Rule Change Proposal, and will advise the Rule Change Panel on when it can dedicate resources to the proposal by February 2019.

The Rule Change Panel has therefore extended the timeframe for the publication of the Draft Rule Change Report until 31 December 2019 to:

- allow AEMO to provide the required input;
- allow the Rule Change Panel to assess the proposal in the light of the additional input provided by AEMO;
- allow the Rule Change Panel to hold a further submission period for the proposal; and
- allow the Rule Change Panel sufficient time to consider the submissions received and prepare the Draft Rule Change Report.
