1. Purpose

This Financial Hardship Policy outlines how Aqwest (“we”) will assist a residential customer (“you”) who cannot pay their water bill because of financial hardship.

Residential tenants who have agreed with the land owner to receive a water bill are also covered by this policy.

If you are a commercial customer, we encourage you to still talk to us.

We are committed to working with you to find an appropriate payment arrangement that works for both you and us.

We understand that it can be difficult to ask for support, and will treat you sensitively and respectfully.

2. What is financial hardship?

You will be considered to be in financial hardship if paying your water bill will affect your ability to meet your basic living needs – in short, if you have the intention but not the financial capacity to pay.

Financial hardship may, for example, be caused by:

- loss of your or a family member’s primary income;
- separation or divorce from your spouse;
- loss of a spouse or loved-one;
- physical or mental health problems;
- a chronically ill child;
- domestic or family violence;
- budget management difficulties because of a low income; or other unforeseen factors affecting your capacity to pay, such as a reduction in income or an increase in non-discretionary spending.

3. Identifying customers in financial hardship

If you think you may be in financial hardship¹ we encourage you to contact us as soon as possible. You may ask your financial counsellor to contact us on your behalf.

1. Clause 22 of the Water Services Code of Conduct (Customer Service Standards) 2018 defines financial hardship as “being in an ongoing state of financial disadvantage in which the ability of a customer who is a residential customer to meet the basic living needs of the customer or a dependant of the customer would be adversely affected if the customer were to pay an unpaid bill”

We will assess within five (5) business days whether we consider you to be in financial hardship and a referral to a Financial Counsellor may be recommended after a hardship assessment has been made.

As part of our assessment we will consider any information provided by you and, if applicable, your financial counsellor. We will also take into account any information we may have on your payment history. As soon as we have made our assessment, we will advise you of the outcome.

4. Payment plans

If we determine that you are in financial hardship, we will offer you a payment plan. We will not charge you any fees or interest as part of your payment plan.

We will involve you and, if applicable, your financial counsellor in setting a payment plan. When setting the conditions of the plan, we will consider your capacity to pay and, if relevant, your consumption history.

If you ask us, we will review your payment plan. If our review indicates that you are unable to meet your obligations under the plan, we will revise it.

We do not have to offer you a payment plan if you have had two payment plans cancelled because of non-payment.

If you are a tenant, we must make sure that the land owner is aware of us giving you an extension or entering into a payment plan with you before we do so. We can agree that you notify the landowner of the proposed extension or payment plan (and provide us with evidence that you have done so), or you can give us permission to notify the landowner.

5. Debt reduction and collection

If you are in financial hardship, we will consider reducing the amount you owe us.

We will also not commence or continue proceedings to recover your debt:

- while we are assessing whether or not you are in financial hardship; or
- if you are complying with your payment plan or another payment arrangement you have with us.

If you do not comply with your payment plan or other payment arrangement, we may commence debt recovery proceedings.

Aqwest does not outsource debt collection. When collecting your debt, we will comply with Part 2 of the Australian Competition and Consumer Commission's (ACCC) and Australian Securities and Investment Commissions (ASIC) Debt collection guidelines for collections and creditors.

6. Restricting and restoring your water flow

If you do not pay your bill by the due date, we may fit a device to your meter which will reduce the flow of your water supply.

We will not restrict your water flow while we are assessing whether you are in financial hardship. We will also not reduce your water flow if you are in financial hardship and you are complying with your payment plan.

If we have reduced your water flow, we will restore it once you have either paid the amount you owe us, or entered into a payment plan with us for that amount.
