Submitter: Kate Ryan, IMO

Date submitted: 27 March 2015

Date of extension: 20 December 2018

In accordance with clause 2.5.10 of the Market Rules, the Rule Change Panel has further extended the timeframe for the publication of the Draft Rule Change Report for the Rule Change Proposal titled “Formalisation of the Process for Maintenance Applications” (RC_2015_03) until **5:00 PM on Monday 1 April 2019**.

Dates for subsequent steps of the rule change process have been adjusted accordingly.

Reason for the Extension

Based on the responses received in the further submission period, the Rule Change Panel has identified several issues with the proposed changes that require further assessment. The Rule Change Panel has therefore extended the timeframe for the publication of the Draft Rule Change Report until 1 April 2019 to allow the Rule Change Panel sufficient time to undertake the required assessment and prepare the Draft Rule Change Report while managing competing priorities.
