Consultation on Issues Paper

The Economic Regulation Authority invites comment on its [Issues Paper](#) for the water licence review 2019.

The ERA administers Western Australia's licensing scheme for water supply services and recently commenced its review of the current template water licence.

The Issues Paper summarises the ERA's proposed changes to the template water licence, but stakeholders are invited to comment on any matter that is within the scope of the review.

Information about current water licences is available on the [ERA website](#).

The ERA invites interested parties to make submissions on the Issues Paper.

Submissions close 4:00 pm (WST) Friday, 17 May 2019.
