Submitter: Kate Ryan, IMO

Date submitted: 27 March 2015

Date of extension: 20 May 2019

In accordance with clause 2.5.10 of the Market Rules, the Rule Change Panel has extended the timeframe for the publication of the Final Rule Change Report for the Rule Change Proposal titled “Formalisation of the Process for Maintenance Applications” (RC_2015_03) until **5:00 PM on Monday 1 July 2019**.

Reason for the Extension

Based on the response received in the second submission period, the Rule Change Panel has identified several issues that require clarification with the submitter, and require further assessment of those issues in the context of the proposed changes. The Rule Change Panel has therefore extended the timeframe for the publication of the Final Rule Change Report until 1 July 2019 to allow the Rule Change Panel sufficient time to clarify the issues raised in the submission, and to undertake the required assessment and prepare the Final Rule Change Report while managing competing priorities.
