Proposed revised access arrangement for the Mid-West and South-West Gas Distribution Systems

Publication of submissions – Demand forecasts consultation

The Economic Regulation Authority has published public submissions received on a consultant report on ATCO Gas Australia's demand forecasts for the proposed revised access arrangement for the Mid-West and South-West Gas Distribution Systems.

The ERA received two submissions by the deadline of 16 September 2019.

These submissions are now available on the ERA's [website](#).

The ERA appreciates the input from interested parties and will consider the matters raised in these submissions when preparing the final decision on the proposed revised access arrangement.
