## Western Power Access Arrangement 2018-19 Service Standard Performance Report

The Economic Regulation Authority has published Western Power's [Service Standard Performance Report](#) for the year ended 30 June 2019.

Under the *Electricity Networks Access Code 2004*, Western Power must provide reference services at a service standard at least equivalent to the benchmarks set out in its access arrangement. Every year, the ERA is required to monitor and publish Western Power's actual performance against the benchmarks.

The report shows Western Power has met the service standard benchmarks for the year ended 30 June 2019.
