Water licence review 2019

Publication of submissions on draft decision

The Economic Regulation Authority received six submissions in response to its [draft decision](#) for the water licence review 2019. These submissions have been published on the ERA [website](#).

The ERA administers Western Australia's licensing scheme for water supply services and is currently reviewing its water licence template. The draft decision summarised the ERA's proposed changes to the water licence template.

The ERA appreciates the input from interested parties and will consider the matters raised in the submissions when making its final decision on the water licence template.
