Muchea Water application for water services licence

Public submissions received

The Economic Regulation Authority recently released for public comment an application from Aqua Ferre (Muchea) Pty Ltd's (trading as Muchea Water) for a water licence to provide potable water services to the Riverside Development.

The Riverside Development is located 8 kilometres north east of the Muchea town site in the Shire of Chittering.

The ERA received two submissions in response, from Muchea Industrial Park Services and the Department of Health.¹ The submissions are now available on the ERA [website](#).

The ERA will consider the matters raised in the submissions when it decides whether to grant a water services licence to Muchea Water.
