

Rule Change Extension Notice: Administrative Improvements to the Outage Process (RC_2014_03)

This notice of extension is given under clause 2.5.12 of the Market Rules.

Submitter: Kate Ryan, IMO

Date submitted: 27 November 2014

Date of extension: 30 December 2019

In accordance with clause 2.5.10 of the Market Rules, the Rule Change Panel has further extended the timeframe for the publication of the Draft Rule Change Report for the Rule Change Proposal titled “Administrative Improvements to the Outage Process” (RC_2014_03) until **5:00 PM on Thursday 30 April 2020**.

Dates for subsequent steps of the rule change process have been adjusted accordingly.

Reason for the Extension

Progress on this Rule Change Proposal was delayed during 2019 by limited AEMO resource availability and competing RCP Support priorities. However, the Rule Change Panel has now completed its preliminary analysis and intends to publish a call for further submissions on the Rule Change Proposal in January 2020.

The call for further submissions will provide stakeholders with an opportunity to provide feedback on several material issues that affect the Rule Change Proposal before the development of the Draft Rule Change Report.

The Rule Change Panel has therefore extended the timeframe for the publication of the Draft Rule Change Report until 30 April 2020 to:

- allow stakeholders sufficient time to respond to the call for further submissions; and
- allow the Rule Change Panel sufficient time to consider the submissions received and prepare the Draft Rule Change Report.
