## Enwave WA Pty Ltd

### Consultation on standard form contract

The Economic Regulation Authority invites comments on Enwave WA Pty Ltd's proposed standard form contract for the supply of electricity to small use customers.<sup>1</sup>

In December 2019, Enwave WA applied for an electricity distribution licence for a microgrid in Peel Business Park and an electricity retail licence to sell electricity to customers connected to the microgrid. A summary of the [licence application](#) is on the ERA website.

Electricity retail licence applicants must submit a proposed standard form contract with their application.

Under the *Electricity Industry Act 2004*, the ERA must not approve a standard form contract if it considers the contract does not meet the requirements of the Act, the relevant regulations, any other written law, or any term, condition or provision of the electricity retail licence.

### Invitation for submissions

The ERA invites interested parties to make submissions on the [proposed standard form contract](#).

Submissions close 4:00 pm (WST) Monday, 24 February 2020.

Submissions should be lodged online using the form on our website [www.erawa.com.au/consultation](http://www.erawa.com.au/consultation).
