Peel Renewable Energy Pty Ltd

Minor amendment to electricity distribution licence EDL7, electricity retail licence ERL28 and standard form contract

The Economic Regulation Authority has approved a minor amendment to EDL7 and ERL28 to change the licensee's registered name from Enwave WA Pty Ltd to Peel Renewable Energy Pty Ltd.

The approved standard form contract for ERL28 has been amended to show the new licensee name of Peel Renewable Energy Pty Ltd. There are no changes to the clauses of the contract.

Enwave informed the ERA on 4 September 2020 of its name change.

The ERA considers the changes to the licences and standard form contract to be a minor amendment that does not call for public consultation.

The amended licences [EDL7](#) and [ERL28](#), and new [standard form contract](#), are available on the ERA website.
