### Decision to renew water services licence WL4

The Economic Regulation Authority has renewed the City of Kalgoorlie-Boulder's water services licence WL4.

Kalgoorlie-Boulder is located about 600 kilometres east of Perth, with a population of almost 30,000 people. WL4 authorises the City to provide sewerage services to approximately 13,000 connected properties, and non-potable water services to irrigate parks, ovals and lawns.

The City applied to the ERA on 28 January 2021 to renew WL4.

WL4 has been renewed from 19 March 2021 for 25 years.

The ERA's [decision](#) and [WL4](#) are available on the ERA website.
