## Framework and approach for Western Power's fifth access arrangement review

### Publication of submissions

The Economic Regulation Authority has published public submissions received in response to an [issues paper](#) on the framework and approach for Western Power's fifth access arrangement review.

The framework and approach document sets out the services that will be regulated through the access arrangement and the incentive mechanisms that will apply.

The ERA appreciates the input from interested parties and will consider the matters raised in these submissions when preparing its draft decision on the framework and approach.

These submissions are now available on the [ERA's website](#).
