Consultation on electricity retail licence application

Perdaman Energy

The Economic Regulation Authority is seeking public comment on Perdaman Energy Retail Pty Ltd's (trading as Perdaman Energy) application for an electricity retail licence to supply small and large-use business customers within the South West Interconnected System.¹

As part of the application, Perdaman Energy has submitted a standard form contract for the ERA's approval. A summary of the [licence application](#) is available on the ERA website.

The grant of the licence is subject to the ERA being satisfied that it would not be contrary to the public interest to do so and that the applicant:

- will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised by the licence.

The ERA must also have regard to the matters set out in section 26 of the *Economic Regulation Authority Act 2003*, which include the long-term interests of consumers.

Invitation for submissions

The ERA invites interested parties to make submissions on the licence application. Submissions close 4:00 pm (WST) Tuesday, 4 January 2022.
