Bunbury Water Corporation (trading as Aqwest)

2021 asset management system review

The Economic Regulation Authority has published the 2021 [asset management system review report](#) for Aqwest's water services licence WL2.

Aqwest is a statutory State-owned corporation that provides potable water supply services to customers located in the City of Bunbury and surrounding areas.

The ERA's decision

The ERA considers that Aqwest has a highly effective asset management system.

The ERA has decided to maintain the review period at 48 months. The next review will cover the period 1 October 2021 to 30 September 2025, with the report due by 31 December 2025.

Background to the ERA's decision

The assessment of the 12 asset management components prescribed in the ERA's [2019 Audit and Review Guidelines: Water Licences](#) found no asset management deficiencies.
