Western Power's fifth access arrangement review

Invitation for submissions

The Economic Regulation Authority has [published](#) Western Power's access arrangement proposal for the period 2022/23 to 2026/27.

The access arrangement sets out the terms and conditions, including prices, for third parties seeking access to the Western Power network.

The ERA will be hosting a public forum with a presentation by Western Power on its submission and an outline of the process the ERA will follow to consider the proposal at 10:00am on 25 March. The forum is an opportunity for stakeholders to ask Western Power questions about the proposal. Further information regarding the forum including registration will be provided in due course.

The ERA will also publish an issues paper in coming weeks to further assist interested parties to make submissions.

Invitation for submissions

The ERA invites interested parties to make submissions on Western Power's proposal.

Submissions close 4:00 pm (WST) Wednesday, 13 April 2022.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
