## Western Power's fifth access arrangement review

### Publication of submissions

The Economic Regulation Authority has [published submissions](#) received as part of the first consultation process for Western Power's proposed revisions to its network access arrangement, submitted under the *Electricity Networks Access Code 2004*.

The access arrangement sets out the terms and conditions, including prices, for third parties seeking access to the Western Power network.

The ERA published Western Power's proposed revisions on 1 February 2022 and an issues paper was published on 4 March 2022. The ERA also held a public forum on 25 March 2022.
