## FRWF Stage 1 Pty Ltd

### Electricity generation licence application – Publication of submissions

The Economic Regulation Authority has published two submissions received in response to the [public consultation](#) on FRWF Stage 1 Pty Ltd's electricity generation licence application.

The submissions were from [Elizabeth Atkins](#) and [Adrian Bilney](#).

The ERA will consider the matters raised in the submissions when it decides whether to grant an electricity generation licence to FRWF.

FRWF intends to construct and operate the Flat Rocks Wind Farm in the shires of Kojonup and Broomehill-Tambellup in the Great Southern region. The wind farm will be connected to the South West Interconnected System.
