Harvey Water

Minor amendment to water services licence WL31

The Economic Regulation Authority has approved minor amendments to South West Irrigation Management Co-operative's (trading as Harvey Water) water services licence WL31.

Harvey Water is a co-operative that provides irrigation, potable and non-potable water supply services in the Harvey and Collie areas, south of Perth.

The amendment will cover the extension of Harvey Water's South West Irrigation operating area to include approximately 11 kilometres of new pipeline west of the Kemerton Strategic Industrial Area. The pipeline will transport brine waste from Kemerton to the designated point of diffusion located 500 metres offshore south of Binningup.

On 16 May 2022, the ERA invited interested parties to make submissions on the licence amendment application with submissions closing on 27 May 2022. No submissions were received.

The amended licence [WL31](#) (Version 12) and [licence area map](#) are available on the ERA website.

As required by section 47(2) of the *Water Services Act 2012* and regulation 10 of the *Water Services Regulations 2013*, this notice sets out the following prescribed information about the water services licence:
