Western Power's fifth access arrangement review

Consultation

The Economic Regulation Authority has published [additional information](#) received from Western Power on its proposed network tariffs. The additional information includes an [indicative price list](#) for the 2023/24 year.

The ERA published Western Power's proposed revisions on 1 February 2022 and an issues paper was published on 4 March 2022. The ERA also held a public forum on 25 March 2022.

The ERA expects to publish a draft decision on Western Power's proposed revisions in September 2022.

Invitation for submissions

The ERA invites interested parties to make submissions on the additional information provided by Western Power on its proposed network tariffs.

Submissions close 4:00 pm (WST) Tuesday, 26 July 2022.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
