Merredin Project Company Pty Ltd

Decision on electricity generation licence transfer application

The Economic Regulation Authority has approved the transfer of electricity generation licence EGL28 from Merredin Solar Farm Nominee Pty Ltd to Merredin Project Company Pty Ltd.

EGL28 authorises Merredin Project Company to operate the Merredin Solar Farm, located approximately 260 kilometres east of Perth (the operating area is set out in plan ERA-EL-148(A)).

The licence will be transferred to Merredin Project Company on 31 August 2022 to coincide with the transfer of the ownership of the Merredin Solar Farm to the Merredin Project Company.

The ERA's [decision](#), [EGL28](#) and operating area plan [ERA-EL-148\(A\)](#) are available on the ERA website.
