Yandin WF Pty Ltd as Trustee for Yandin WF Unit Trust 2022 performance audit and asset management system review

The Economic Regulation Authority has published the 2022 [performance audit](#) and [asset management system review](#) reports for Yandin WF Pty Ltd's electricity generation licence EGL30.

Yandin is a 214 MW wind farm managed by Alinta Energy. It is located in the Shire of Dandaragan, about 175 kilometres north of Perth. Yandin supplies electricity to the South West Interconnected System.

The ERA's decision

The ERA considers that Yandin has achieved a high level of compliance with its licence and has an effective asset management system.

The ERA has decided to increase the audit and review period from 36 to 60 months. The next audit and review will cover the period 1 June 2022 to 31 May 2027, with the report due by 31 August 2027.

Audit and review findings

Audit

The audit of the 36 licence obligations applicable to Yandin did not find any non-compliances or control deficiencies.

Review

The assessment of the 12 asset management system processes prescribed in the ERA's *2019 Audit and Review Guidelines: Electricity and Gas Licences* did not find any asset management system deficiencies.
