## **Standard Gas Terms and Conditions**

#### 1. Supply of gas

Where these terms and conditions apply, *we* will sell gas to *you* at the *premises* in accordance with these terms and conditions. These terms and conditions apply to the sale of gas to all *residential customers* and *business customers* who pay the *standard price* for gas.

#### 2. We will comply with certain codes, standards and policies

We will comply (where they are applicable to *you*) with certain *regulatory requirements*, provisions in the *relevant regulations* and a number of codes, standards and *relevant policies*, including (where applicable to *you*):

- (i) the standards of service set out in Part 5 of the *Customer Contracts Regulations*;
- (ii) the Marketing Code;
- (iii) the Gas *Customer* Code; and
- (iv) the standards of service in our relevant policies.

You can obtain more information about the *Marketing Code*, the *Gas Customer Code*, *relevant regulations* and *our relevant policies* from *us* or the Economic Regulation Authority (erawa.com.au).

#### 3. When the contract starts

The *contract* begins on the date and time that *we* agree to supply gas to *you* or at any earlier time when gas is deemed by law to be supplied to *you* under these terms and conditions.

#### 4. Charges and fees

#### 4.1 Standard price

On and from the date and time this *contract* begins, *you* must pay to *us* the *standard price* that applies to *you* in connection with gas *we* supply to *you* under the *contract*.

#### 4.2 What are standard prices?

There are two main types of *standard prices*: residential *standard prices* and business *standard prices*.

In addition, there are also different residential and business standard prices for each of:

- (a) the Mid-West/South-West area; and
- (b) the Albany area; and
- (c) the Kalgoorlie-Boulder area,

as those areas are defined in the Gas Tariffs Regulations.

Whether a particular *standard price* applies to *you* will depend on *you* meeting the eligibility conditions for that *standard price*. These eligibility conditions are discussed at clause 4.5 of this *contract*.

If we change the standard prices, we will publish those changes and the date that the change will take effect (see clause 22.2 for how we publish information). We will also notify you of the changes in the standard prices by no later than your next bill.

For an explanation of the *standard prices* available and the eligibility conditions applying to those *standard prices*, please visit *our website* or call *us*.

#### 4.3 What makes up a standard price?

A *standard price* includes a fixed component and a usage component based on the amount of gas *you* use. The fixed component and the usage component are specified in the *standard price we* publish. The usage component can be charged at different rates depending upon the amount of gas *you* use.

#### 4.4 Which standard price do you pay?

Your bill will show you which standard price you are paying. Please advise us if you wish to choose a different standard price from the price appearing on your bill. If you meet the relevant eligibility conditions and it is otherwise available to you, we will change the standard price that applies to you to the standard price of your choice.

The new standard price will be effective from the date that your meter was last read. In some cases, the network operator may need to adjust the meter at your premises or provide you with a new meter in order for us to provide you a different standard price. In that case, the new standard price will be effective when your meter is adjusted, or your new meter has been installed by the network operator.

Please note that there may be a separate charge for *meter* adjustments and new *meters* in order for *us* to pay *the network operator* for the *meter* adjustments or new *meters*. For an explanation of these charges, please visit *our website* or call *us*. In the event of any delay in a *meter* adjustment or a new *meter* installation by *the network operator we* shall have no liability for any loss (either direct or indirect) to *you* for that delay.

#### 4.5 Eligibility conditions on standard price

#### Residential standard price

Under the Gas Tariffs Regulations to be eligible for the residential standard price, either:

- (a) the *premises* must be a dwelling (a house, flat, home *unit* or other place of residence) and the gas supplied there is solely for residential use; or
- (b) the *premises* is not a dwelling (a house, flat, home *unit* or other place of residence) but the gas supplied to the *premises* is separately *metered* and is solely for residential use.

If *you* are paying a residential *standard price*, *you* must not use gas for a non-residential purpose and must advise *us* as soon as possible if *you* do so.

#### Business standard price

If you do not qualify or no longer qualify for the residential standard price you must pay the business standard price.

#### You must ensure you are on the correct standard price

It is *your* responsibility to assess if the *standard price you* are paying is appropriate for *your* circumstances based on eligibility conditions applicable to that *standard price*.

You must advise us as soon as possible if you no longer meet the eligibility conditions applying to the *standard price* that you currently pay.

If we discover that you are no longer eligible to receive the price that you currently pay, then we will advise you of the new standard price that you must pay instead of the price that you currently pay.

If *you* are no longer eligible to receive a particular *standard price* because *we* no longer offer that *standard price, we* will notify *you* on or before the date of the withdrawal and offer *you* an alternative *standard price*. In the event *you* do not nominate an alternative *standard price* then *we* will advise *you* of the new *standard price you* must pay.

## 4.6 We can recover if *you* have been undercharged because *you we*re on the wrong *standard price*

If *you* have been undercharged for *your* gas supply because *you* were being charged at a *standard price* that *you* were not eligible to receive, then we can require *you* to pay to *us* the amount that *you* have underpaid. For example, if *you* are paying a residential *standard price*, and start using gas for a non-residential purpose without giving *us* proper notice, *we* can backdate the business *standard price* to the start of the non-residential use.

However, if the undercharge resulted from an error, defect, or default for which we or the *network operator* is responsible:

- (a) we can only require you to pay us the amount that you have underpaid for a period of up to 12 months prior to the date that we advise you of the new standard price, unless you provided us with incorrect information [or the undercharge was directly attributable to your act or omission]; and
- (b) if *you* are a *residential customer*, *we* will offer *you* the option to pay the correcting payment by instalments.

However, if at any time *you* consume 1 terajoule or more of gas per annum, then despite the above, *we* can recover the amount of any underpayment subject to and in accordance with applicable laws, including the *Energy Operators (Powers) Act 1979* (WA).

#### 4.7 We can charge you other fees

We can charge *you fees* that are in addition to the *standard price*. You must pay us the fees that apply to *you*. We can charge *you fees* for:

- (a) your account application; and
- (b) reading your meter when access was not possible (see clause 5.2); and
- (c) testing *your meter* (see clause 5.3); and
- (d) sending *you* overdue notices (see clause 6.6); and
- (e) reading your meter when you move out of the premises (see clause 9.4); and
- (f) turning off *your* gas in some situations (see clause 11.6); and
- (g) turning on *your* gas in some situations (see clause 11.9); and
- (h) removing or physically disconnecting the *meter* (see clause 11.10); and
- (i) replacing or physically reconnecting the *meter* (see clause 11.10); and
- (j) other non-standard connection costs; and
- (k) other fees.

For an explanation of *our fees* please visit *our website* or call *us*.

#### 4.8 Concessions

If you are eligible for a *concession* and you apply to us, we will provide that *concession* to you. You can contact us if you have any queries about your concession eligibility.

#### 4.9 Eligibility conditions on *concessions*

If you are no longer eligible for a concession, you must advise us as soon as possible.

If we discover that you are no longer eligible for a *concession*, then we will advise you in writing that you will not be receiving that *concession* any more. We can also require you to pay to us the amount (if any) that you have underpaid. However, if the underpayment resulted from an error, defect, or default for which we or the *network operator* are responsible:

- (a) we can only require you to pay us the amount that you have underpaid for a period of up to 12 months prior to the date that we advise you that you will not receive the concession or a longer period if the underpayment was directly attributable to your act or omission; and
- (b) if *you* are a *residential customer*, *we* will offer *you* the option to pay the correcting payment by instalments.

However, if at any time *you* consume 1 terajoule or more of gas per annum, then despite the above, *we* can recover the amount of any underpayment subject to and in accordance with applicable laws, including the *Energy Operators (Powers) Act 1979* (WA).

#### 4.10 Advising you of a new standard price

If we need to advise you of a new standard price, we will do so by any means including post, telephone or *electronic means*.

#### 5. How we will calculate your gas use

#### 5.1 Measuring gas

We use *meter* readings that are provided to *us* to prepare *your* bill. We bill *you* on the amount of energy in the gas *you* use, not the volume of gas.

To calculate *your* consumption, *we* first measure the volume of gas *you* use via the *meter* (in cubic meters or cubic feet). We then convert the volume of gas *you* use into *units* by applying a *heating value*. This *heating value* is measured by the *network operator* at a number of places, and it can change from time to time.

We may also calculate consumption through the measurement of gas from a master *meter* and utilise other measurement devices to calculate bills for individual usage of a product (where required).

#### 5.2 Basis of a bill

We will use *our* best endeavours to obtain *metering* data as frequently as required to prepare *your* bill. In any event, we will use best endeavours to ensure that the *network operator* (or its agent) reads the *meter* at least once every 12 months. However, if we ask *you* or the *network operator* asks *you*, *you* can agree to read the *meter yourself* and provide the *network operator* (or *us*) with the *meter* readings. In that case, *we* will bill *you* on the

basis of your meter readings subject to regulatory requirements, relevant codes and relevant regulations (where applicable to you).

We may provide *you* with an estimated bill if *we* don't have information available to *us* to prepare an accurate bill in time because:

- (i) access to the *meter* is not possible due to reasons beyond *our* control, including due to weather conditions, an industrial dispute, the actions of a third party or *you* deny access; or
- (ii) access to the *meter* is not possible for safety reasons;
- (iii) you are vacating the premises and require a final bill immediately; or
- (iv) we cannot otherwise reasonably base a bill on the *network operator's* or *your* reading of the *meter*, including where the *meter* has been tampered with or bypassed or the *meter* is inaccurate.

Where we provide you with an estimated bill, it will be based on:

- (a) your reading of the meter, or
- (b) *your* prior billing history; or
- (c) if we do not have your prior billing history, then we may use:
  - (i) the average usage of gas at the standard price that applies to you; or
  - (ii) the average usage for your type of meter, or
  - (iii) the average usage at the premises.

If we use estimates, then:

- (a) we will say on your bill that we have done so;
- (b) we will tell you on request:
  - (i) the basis of the estimation; and
  - (ii) the reason for the estimation; and
- (c) *you* may request:
  - (i) a verification of a *meter* reading; and
  - (ii) a meter reading.

If *we* have provided *you* with an estimated bill, which is not a final bill, and *we* subsequently obtain an actual *meter* reading from the *network operator* or *you*, then *your* next bill will be adjusted to take account of that *meter* reading.

If we have provided you with a final bill based on an estimate, we will not adjust your final bill if we are subsequently able to read the *meter* or if we subsequently obtain a *meter* reading from the *network operator*.

Also, if the reason we used an estimate was because you denied us or the network operator access to your meter and you ask that we replace the estimated bill with a bill based on an actual meter reading, we will do so, provided you grant the network operator (or its agent) and us (or our agent) due access to the meter and pay us our reasonable charge for reading the meter.

#### 5.3 You can request a *meter* test

You can ask us to have the *meter* tested to ensure that it is measuring accurately, and we will arrange for the *network operator* to test the *meter* if you first pay to us our reasonable

charge for testing the *meter*. If we find that the *meter* is not measuring accurately, then we will refund to *you* any *meter* testing charge *you* have paid.

If the *meter* is not measuring accurately, we will also arrange for the *network operator* to either repair or replace the *meter* at no charge to *you*.

By "accurate", we mean the meter is measuring as accurately as the law requires.

#### 6. Bills

#### 6.1 When we will bill you

We will bill you in accordance with a *billing cycle* that we set for our relevant customers from time to time. As an indication (and subject to the *Gas Customer Code*), our *billing cycle* is no more than once a month and no less than once every three months, unless *you* have agreed otherwise.

#### 6.2 Things we include in your bill

Unless *you* agree otherwise, *your* bill will contain the information required under clause 4.5(1) of the *Gas Customer Code* relevant to the *billing cycle* including:

- (a) the account name and account number; and
- (b) the *premises* address and (if required) mailing address; and
- (c) the standard price that we charged you; and
- (d) the fees we charged you; and
- (e) the amount due and the due date; and
- (f) the telephone number for billing and other payment enquiries; and
- (g) the telephone number to contact if *you* are experiencing *payment difficulties* (see clause 6.5 for information about *payment difficulties*); and
- (h) the 24-hour telephone number for faults and emergencies; and
- (i) the dates and results of the previous and current *meter* readings or estimates; and
- (j) your gas use or estimated use; and
- (k) the *meter* or property number; and
- the ways *you* can pay *your* bill, including information about payment methods and payment options available to *you* (see clause 6.4 for some of the payment options) and, if a residential *standard price* applies to *you*, the instalment payment options that are available to *you*; and
- (m) if a residential *standard price* applies to *you*, the *concessions* that are available to *you* from *us* or the government; and
- (n) the amount of arrears or credit and the details of any adjustments; and
- (o) the amount of any other charge and the details of any service provided; and
- (p) the availability of a *meter* test on the conditions described in clause 5.3; and
- (q) interpreter services; and
- (r) the interest rate we applied to any outstanding amounts; and
- (s) the details of any *security deposit you* provided (in accordance with clause 18); and
- (t) contact details of the gas industry ombudsman.

The *standard price* and other *fees* will be separately itemised on *your* bill. If *we* provide *you* with additional goods or services during the *billing cycle*, *we* will also include a description of those goods or services.

#### 6.3 Applying *your* payments to *your* bill

Unless you direct us otherwise:

- (a) *we* will apply *your* payment to the amount due for *your* gas use before applying it to other items; and
- (b) if *we* also supply electricity to *you*, then *we* will apply *your* payment to the amount due for *your* gas use and electricity use in equal proportions before applying it to other items.

#### 6.4 Paying your bill

*You* must pay the total amount payable for each bill by the due date specified in that bill. The due date will be at least 14 *business days* from the date of the bill.

*You* can pay *your* bill using a range of payment options, including payment in person and by mail. *You* can also ask to make payments in advance.

You can find out the range of payment options that you can choose from by referring to your bill, by visiting our website or by calling our customer service centre. If you are unable to use one of these options because you are going to be absent for a long period (for example due to illness or extended holiday) you can arrange with us to redirect your bill or to make payments in advance.

#### 6.5 If *you* are having trouble paying

If you are having trouble paying your bills, please advise us. If you are paying a residential standard price and seek assistance, we will assess your request within 3 business days of your request. If we assess that you are having payment difficulties or experiencing financial hardship, we will:

- (a) offer you additional time to pay; and/or
- (b) offer you an interest-free and fee-free instalment plan option; and/or
- (c) allow you to redirect your bill to a third person at no charge; and/or
- (d) provide *you* with information about *concessions* and information about, and referral to, applicable government assistance programs; and/or
- (e) provide *you* with information about independent financial counselling services and other relevant *Consumer* representative organisations available to *you*.

If *you* are paying a business *standard price* and *you* are experiencing *payment difficulties*, *we* will consider any reasonable request for alternative payment arrangements.

For more information about government assistance programs and independent financial counselling services, contact *us* (see clause 23.3 for *our* contact details).

#### 6.6 If *you* do not pay *your* bill

If you do not pay the total amount payable for any bill by the due date, then we can:

(a) send a *disconnection warning* to *you*; and

- (b) subject to complying with clause 5.6 of the *Gas Customer Code* (where applicable), charge *you* a fee for each overdue account notice *we* send to *you*; and
- (c) where *you* are paying a business *standard price*, charge *you* interest on the amount *you* have not paid; and
- (d) disconnect *your* gas supply; and
- (e) shorten your billing cycle.

If *you* are paying a business *standard price*, the interest rate charged on outstanding amounts will be 12.75 percent per annum (calculated daily). *We* may change this rate. If *we* do change this rate, *we* will publish the changes (see clause 22.2 for how *we* publish things).

If *you* do not pay the total amount payable for any bill after *we* send a *disconnection warning* to *you*, then *we* can refer *your* debt to a debt collection agency for collection and if *we* do so, *you* must pay any costs that *we* incur in connection with the recovery of the unpaid bill (including the agency's *fees* and legal fees).

If *you* pay a bill and the payment is dishonoured or reversed and, as a result, *we* incur costs or have to pay *fees* to any other person, *you* must reimburse *us* for those costs and *fees*.

If an amount specified in *your* bill remains overdue for payment for more than 60 days and:

- (f) *you* do not have an unresolved complaint made in good faith relating to *your* payment default for that overdue amount; and
- (g) *your* payment default for that overdue amount does not relate to a portion of *your* bill that *you* have asked *us* to review,

then *we* may give information about *you* and that payment default to a credit reporting agency. This information will allow the credit reporting agency to create or maintain a credit information file containing information about *you*. The information that *we* disclose about *you* can include any of the following:

- (i) Identity details *your* name, sex, address (and *your* previous two addresses), date of birth, name of employer and driver's licence number;
- (ii) Amounts that are overdue by more than 60 days and for which debt collection action has started;
- (iii) Advice that *your* payments are no longer overdue in respect of any default that has been listed;
- (iv) Information that, in *our* opinion, *you* have committed a serious credit infringement (that is, acted fraudulently or shown an intention not to comply with *your* credit obligations); and
- (v) Dishon*our*ed cheques a cheque drawn by *you* for \$100 or more which has been dishon*our*ed more than once.

This information may be given before, during or after the supply of good or services to you.

#### 6.7 You can obtain your billing data

If you ask us, we will give you a copy of your billing data held by us for the premises. Unless we are required by law to provide the billing data free of charge, we can ask you to pay a reasonable fee before we provide the data to you.

We will provide the data to you within 10 business days of the date we are deemed to receive:

(a) *your* request; or

(b) if *we* ask *you* to pay a reasonable *fee* for providing the billing data, *your* payment of this *fee*.

We must provide you with historical billing data free of charge:

- (c) for the period 2 years before a request; or
- (d) if the request is in relation to a dispute with *us*.

If *you* want billing data for a period before the date *we* started to supply *you* gas, *you* will need to ask *your* former gas retailer for the billing data.

#### 7. Reviewing your bills

#### 7.1 Reviewing a bill

If you have a query about your bill and you ask us to review the bill, then we will review it.

In the meantime, *you* must pay to *us* the balance of the bill that is not being queried or an amount equal to the average amount of *your* bills over the previous 12 months (excluding the bill that *you* are querying), whichever is less. If *you* have any other bills that are due, then *you* must also pay those bills by the due dates.

If in accordance with clause 4.16 of the *Gas Customer Code* (where applicable), *you* request *us* to review *your* bill, then *we* will review *your* bill and inform *you* of the outcome of the review as soon as *we* can and no later than 20 *business days* from the date *we* are taken to receive *your* request for *us* to review *your* bill.

If after a review of your bill:

- (a) we are satisfied the bill is correct, we:
  - (i) may require you to pay the unpaid amount; and
  - (ii) will advise you that you can ask us to arrange a meter test; and
  - (iii) will advise *you* of *our customer complaints policy* and any external complaints handling processes; or
- (b) we are satisfied the bill is incorrect, we will adjust the bill for any undercharging or overcharging (clause 7.2 explains how we do this).

#### 7.2 Undercharging and overcharging

If we undercharge you for any reason, then we can require you to make a correcting payment. However, if we undercharge you due to an error, defect or default for which we or the *network operator* are responsible, then (subject to clause 4.6, where it applies) we can only require you to make a correcting payment for amounts undercharged in the 12 months prior to the date that we advise you that you have been undercharged unless the undercharge was directly attributable to your act or omission and, if you are a *residential customer*, we will offer you the option to pay the correcting payment by instalments. However, if at any time you consume not less than 1 terajoule of gas per annum, then despite the above, we can recover the amount of any undercharge subject to and in accordance with applicable laws, including the *Energy Operators (Powers) Act 1979* (WA).

If we overcharge you due to an error, defect or default for which we or the network operator are responsible (including where the meter has been found to be defective), then, subject to the Gas Customer Code (where applicable to you) and to clause 21, we will credit the amount to your account or we may give you the option of having the amount repaid to you.

The 12-month limit referred to in clause 7.2(a) does not apply to amounts that we have overcharged you.

#### 8. Gas supply equipment and your equipment

#### 8.1 Gas supply equipment

We or the *network operator* will provide, install, and maintain *gas supply equipment*, including the *meter* and necessary ancillary equipment at the *premises*, after due consideration of *your* wishes.

The gas supply equipment remains the property of the *network operator* at all times and the *network operator* is responsible for installing and maintaining the gas supply equipment.

*You* must not do anything that will damage or interfere with the *gas supply equipment* or use gas in a way that interferes with that equipment.

*"gas supply equipment"* means the *meter* for the *premises* and any pipes, apparatus, pressure regulators or other equipment used to transport, measure, or control gas for delivery to *you*, before (upstream of) the point that gas leaves the *meter*.

#### 8.2 Your equipment

You are responsible for keeping your equipment in good working order and condition.

"your equipment" means all pipes, apparatus and other equipment or works located after (downstream of) the point that gas leaves the *meter* for the *premises* which are used for, or in connection with, the supply or consumption of gas, except any gas supply equipment.

#### 8.3 Things that *you* are prohibited from doing

You must not:

- (a) tamper with, bypass, circumvent or otherwise interfere with the *gas supply equipment*, or
- (b) do anything that will prevent *us* or the *network operator* from accessing the *gas supply equipment*, or
- (c) use gas in a way that interferes with the supply of gas to anyone else; or
- (d) use gas in a way that causes loss to us or anyone else; or
- (e) use gas in a way that interferes with the supply of gas by us to you; or
- (f) unless *you* have permission from *us* or the *network operator*, turn the *meter* on if the *meter* has been turned off by *us* or by the *network operator*, or
- (g) contravene any applicable laws in relation to the use of gas, use or operation of the *gas supply equipment* or use or operation of *your equipment*, or
- (h) allow anyone else to do the things described in this clause 8.3.

#### 9. Your gas supply at the premises

#### 9.1 Things *you* must do when *you* want gas supplied to the *premises*

If *you* want gas to be supplied to the *premises,* then before *we* supply *you* gas at the *premises, you* must:

- (a) apply to *us* for gas supply (by phone, in person or in writing) and provide *us* with identification *we* consider acceptable; and
- (b) if we require it, provide us with assurance that we and persons nominated by us (including the *network operator*) will be able to access the *premises*, *meter* (and other *gas supply equipment*) and *your equipment* according to clause 10; and
- (c) provide *us* with contact details for billing purposes; and
- (d) provide *us* with contact details of the property owner or agent if the *premises* is a rental property; and
- (e) if *we* require it, in the case of a new gas connection, provide *us* with information about *your* estimated gas usage; and
- (f) if *we* require it, in the case of an existing gas connection, provide *us* with information on the number and type of appliances installed, number of household occupants and anticipated usage of appliances; and
- (g) agree to pay us all relevant charges and fees according to this contract; and
- (h) if we require it, provide us with a security deposit in accordance with clause 18; and
- (i) pay *us* any outstanding debt *you* owe *us* for the supply of gas at another *premises* (but not debts that are subject to a dispute or repayment arrangements agreed with *us*).

#### 9.2 New gas connections

We will sell you gas from the day that your gas supply is turned on at the premises. We will use our best endeavours to make supply available to you at the premises by the date we agreed to sell you gas or, if no date was agreed, within 20 business days from the date of your application.

If the *premises* do not already have an existing gas connection, then before *we* supply *you* gas at the *premises* each of the following conditions must be satisfied:

- (a) *you* do the things listed in clause 9.1; and
- (b) a gas service connection and *meter* must be installed by the *network operator* at the *premises* and must be available to use; and
- (c) the gas supply equipment (and its installation) and your equipment (and its installation) must comply with the regulatory requirements; and
- (d) if we ask you, you have given us (or the *network operator*) notices of installation or completion of work on your equipment from a gas installer, and
- (e) there is an adequate supply of gas available at the necessary volume and pressure at the boundary of the *premises*.

#### 9.3 Existing gas connections

If *you* move into the *premises* and it has an existing gas connection, *we* will use *our* best endeavours to make supply available to *you*:

- (a) in accordance with the standards maintained by the network operator, and
- (b) at the *premises* by the date *we* agreed to sell *you* gas or, if no date was agreed, within 1 *business day* from the date of *your* application.

Before *we* supply gas to *you* at the *premises*, each of the following conditions must be satisfied:

(c) you do the things listed in clause 9.1; and

- (d) *you* apply to *us* before 3.00 pm on the *business day* before *you* require connection; and
- (e) the gas supply equipment (and its installation) and your equipment (and its installation) must comply with the *regulatory requirements*; and
- (f) there is an adequate supply of gas available at the necessary volume and pressure at the boundary of the *premises*; and
- (g) the *meter* at the *premises* is available to use; and
- (h) the relevant gas network standards are met.

We will charge you for gas supplied to the *premises* from the date that the *meter* at the *premises* was last read, unless you read the *meter* and advise us of the meter reading within 3 business days of the day that you move in. If a final *meter* reading was not taken, we will estimate the amount of gas used by the previous occupant, so we do not overcharge or undercharge you.

#### 9.4 Moving out of the *premises*

- (a) If *you* move out of the *premises* and no longer wish to obtain a gas supply at the *premises*, *you* must advise *us*:
  - (i) at least 3 business days before you move out; and
  - (ii) of an address where the final bill can be sent.
- (b) If you advise us as described in clause 9.4(a), and you move out of the premises at the time specified in your notice, then we will arrange a final meter reading on the day that you move out of the premises and issue a final bill to you. In that case, you are only required to pay for gas consumed at the premises and other charges relating to your supply at the premises (including, for example, supply charges) up to the day you move out of the premises.
- (c) If *you* advise *us* as described in clause 9.4(a), and *you* move out of the *premises* before the time specified in *your* notice, then *you* must pay for *our* reasonable charges for reading the *meter* and for gas up to the time specified in *your* notice.
- (d) If *you* do not advise *us* as described in clause 9.4(a), then subject to any applicable laws, *we* may require *you* to pay for *our* reasonable charges for reading the *meter* and for gas used at the *premises* for up to a maximum of 5 days after *you* notify *us* that *you* have moved out of the *premises*.
- (e) We will not require you to pay for gas used at the *premises* from the time that a new *customer* has an obligation to pay for gas supply at the *premises* under a new *contract*.
- (f) If *you* have reasonably demonstrated to *us* that *you* were evicted from the *premises* or were otherwise required to vacate the *premises*, then we will not require *you* to pay for gas consumed at the *premises* from whichever is the later of, the date *you* vacate the *premises* and the date that *you* notify *us* of the following:
  - (i) the date that you vacated or intend to vacate the premises; and
  - (ii) a forwarding address to which a final bill may be sent.

However, we may still charge you for other charges relating to your supply at the premises (including, for example, supply charges and our reasonable charges for reading the meter).

If *your* final bill is in credit after *you* have paid *us* all amounts payable under clause 9.4, then *you* can choose to have *us* credit *your* new account with this amount or repay the amount to *you*.

#### **10.** Access to the premises

- (a) You must let *us*, or persons nominated by *us* (including the *network operator*) have safe, convenient and unrestricted access to the *premises* when *we* or they need it:
  - (i) to read the meter; or
  - (ii) to inspect or work on the gas supply equipment, or
  - (iii) to inspect the gas installation (as defined in section 4 of the *Gas Standards Act 1972* (WA));
  - (iv) to disconnect or reconnect your gas supply; or
  - (v) to inspect or work on your equipment; or
  - (vi) for any other reason relating to the supply of gas to the *premises*.
- (b) Subject to clauses 10(c), 10(f) and 22.5, we will give you at least 24 hours' notice (unless you consent to a shorter time) before we or the network operator (or any person nominated by us) enters the premises to undertake inspections, repairs, testing or maintenance of the gas network at the premises in relation to this contract, except in any of the following cases (where we, the network operator or any person nominated by us may enter the premises without giving you prior notice):
  - (i) for routine meter reading or meter replacement; or
  - (ii) in an emergency; or
  - (iii) if *we* or the *network operator* suspect that gas is being obtained or used illegally at the *premises*.
- (c) Subject to clauses 10(f) and 22.5, if we or the *network operator* (or any person nominated by *us*) enters the *premises* for the purposes of planned maintenance work at the *premises* or on the *gas network* then we or the *network operator* will give *you* at least 4 *business days*' notice unless *you* consent to a shorter time.
- (d) Any representative of the *network operator* or *us* who seeks access to the *premises* will wear, in a visible manner in accordance with *our* or the *network operator's* requirements, official identification or will carry such identification and show it to *you* if *you* are at the *premises*.
- (e) If you do not provide safe and unrestricted access to the *premises* for the purposes of a *meter* reading by the *network operator*, we can request you to read the *meter* and provide the *meter* reading to the *network operator*. If we make that request, then you must read the *meter* and provide the *meter* reading to the *network operator* within the timeframe specified in *our* request. This does not prejudice *our* rights and remedies in respect of your breach of clause 10(a)(1).
- (f) Nothing in this *contract* limits or excludes in any way the consent *you* are deemed to have given under section 46(9) of the *Energy Operators (Powers) Act 1979* (WA) and this clause 10 is otherwise subject to clause 23.5 (which relates to the application of laws).

#### 11. Interruptions to your gas supply

#### 11.1 Emergency

We can interrupt or disconnect *your* gas supply at any time without notice to *you* in an *emergency*, if *we* are permitted or required by law or if the *network operator* requires *us* to do so. We will:

- (a) provide information via the 24-hour *emergency* line about the nature of the *emergency* and estimate the time when supply will be restored; and
- (b) use *our* best endeavours to turn *your* gas on again as soon as reasonably practicable once it is safe to do so (see clause 11.8 for information about reconnecting *your* gas supply).

In certain circumstances we can charge you a fee for disconnecting your gas supply in an *emergency* – see clause 11.10.

#### 11.2 Health and safety

Without limiting *our* rights under clause 11.1, *we* can interrupt or disconnect *your* gas supply for a health or safety reason if, before *we* do so:

- (a) we notify you in writing of the reason; and
- (b) where we think you can fix the reason, you have had 5 business days to fix it; and
- (c) where after 5 business days the reason remains, we send to you a disconnection warning advising you that we will disconnect your gas supply on a day that is at least 5 business days after you are deemed to receive the disconnection warning.

In certain circumstances we can charge you a fee for disconnecting your gas supply in relation to health or safety reasons – see clause 11.10.

#### 11.3 *Planned work* on the gas network

We can interrupt or disconnect *your* gas supply if the *network operator* needs to carry out *planned work*. If this occurs, *we* will use *our* best endeavours to give to *you* at least 4 days' notice before interrupting or disconnecting *your* gas supply and *we* will reconnect *your* gas supply as soon as reasonably practicable once it is safe to do so.

In certain circumstances we can charge *you* a *fee* for disconnecting *your* gas supply in relation to *planned work* – see clause 11.10.

#### 11.4 Events beyond your control

If an *event beyond your control* occurs and prevents *you* performing any of *your* obligations under this *contract* to any extent, *you* must tell *us* as soon as reasonably practicable, and *you* are then not required to perform that obligation to the extent and for as long as *you* are prevented by that *event beyond your control*. However, *you* must pay *your* bill by the due date shown on the bill, even if an *event beyond your control* occurs.

#### 11.5 Events beyond our control

If an *event beyond our control* occurs and prevents *us* performing any of *our* obligations under this *contract* to any extent, then we are not required to perform that obligation to the extent and for as long as we are prevented by that *event beyond our control*. If such an *event beyond our control* occurs and we consider it appropriate to do so, we may notify *you* of the *event beyond our control by any reasonable means, including* by a public announcement (for example, on television, radio or in a newspaper).

#### **11.6** Disconnection due to *your* actions

In addition to the reasons in clauses 11.1 to 11.3, we can arrange the *network operator* to disconnect *your* gas supply, acting in accordance with clause 11.7 and applicable laws (see clause 22.1 for information about the *network operator*), if:

- (a) *you* fail to pay a bill (either for the *premises* or a previous *premises*) in full by the due date shown on the bill (see clause 6 for information about billing); or
- (b) you do not agree to a payment plan or other payment option; or
- (c) you do not perform your obligations under a payment plan or other payment option; or
- (d) you do not give us or the network operator safe and unrestricted access to the premises or the meter (see clause 10 for information about access to the premises); or
- (e) *you* commit a fraud relating to *our* supply of gas to *you* at the *premises* or any other *premises*; or
- (f) *you* get gas supplied to the *premises* illegally or in breach of a *relevant regulation* or code; or
- (g) where we require you to provide us a security deposit, you fail to provide it to us (see clause 18 for information about security deposit); or
- (h) *you* fail to keep *your equipment* in good working order or condition (see clause 8 for information about *your equipment*); or
- (i) you get gas supplied to the premises in breach of this contract; or
- (j) you commit a substantial breach of any of your obligations under this contract; or
- (k) without limiting any of the above paragraphs, *you breach any of your* obligations under this *contract* and fail to remedy the breach within 10 *business days* of *us* requesting *you* to do so.

We can charge you a fee for disconnecting your gas supply in these circumstances – seeclause 11.10.

#### 11.7 Things we must do before disconnecting your gas supply

#### **Unpaid bills**

If we wish to disconnect your gas supply because you fail to pay a bill, then we will:

- (a) give *you* a *reminder notice* not less than 14 *business days* from the date that *we* issued *you* the bill advising *you* that payment is overdue and requiring payment by a specified date (which will be not less than 20 *business days* after the date that *we* issued *you* the bill); and
- (b) if you still have not paid us by the time indicated in the reminder notice, then give you a disconnection warning not less than 22 business days from the date that we issued you the bill, advising you that we will disconnect you on a day that is at least 10 business days after we give you the disconnection warning; and
- (c) not disconnect *you* until at least 1 *business day* after the date that *we* say *we* will disconnect *your* gas supply in the *disconnection warning*;
- (d) use *our* best endeavours to contact *you*; and
- (e) if you are paying a residential standard price:
  - (i) offer you a payment plan or alternative payment plan; and

- (ii) give you information in accordance with clause 6.5; and
- (f) if *you* are paying a business *standard price*, offer to extend the due date for payment on terms and conditions (including the payment of interest).

We will not disconnect you unless:

- (a) *you* have not accepted *our* offer under either clause 11.7(e) or (f) within the specified period (which must be at least 5 *business days*); or
- (b) *you* have accepted *our* offer but have not taken reasonable action towards settling the debt within the specified time (which must be at least 5 business days).

For more information about *your* options if *you* have *payment difficulties*, refer to *your* bill, visit *our we*bsite or call *our customer* service centre.

#### Access to the meter

If we wish to disconnect your gas supply because you fail to give us or the network operator access to the meter, we will:

- (i) only disconnect *you* if *you* have denied access for the purposes of reading the *meter* for the purposes of issuing 3 consecutive bills; and
- (ii) only disconnect *you* if each time access was denied *we* gave *you 5 business days*' notice in writing:
  - (a) advising *you* of the next date or timeframe of a scheduled *meter* reading at the *premises*; and
  - (b) requesting access to the *meter* at the *premises* for the purpose of the scheduled *meter reading; and*
  - (c) advising *you* of *our* ability to arrange disconnection if *you* fail to provide access to the *meter*, and
- (iii) use *our* best endeavours to contact *you* to advise of the proposed disconnection; and
- (iv) give you an opportunity to offer reasonable alternative access arrangements; and
- (v) send to *you* a *disconnection warning* advising *you* that *we* will disconnect *your* gas supply on a day that is at least 5 *business days* after *you* are deemed to receive the *disconnection warning*.

#### Security deposits

If we wish to end this *contract* under clause 17 and/or disconnect *your* gas supply under 11.6(g) because *you* fail to provide any required *security deposit* to *us*, whether in whole or in part we will only disconnect *your* gas supply after we send to *you* a *disconnection warning* advising *you* that we will disconnect *your* gas supply on a day that is at least 5 *business days* after *you* are deemed to receive the *disconnection warning*.

#### 11.8 We must not disconnect your gas supply in some circumstances

- (a) Unless disconnection was requested by you or is required under the Gas Standards Act 1972 or another law, we will not disconnect or cause disconnection of your gas supply at the premises if you give us a written statement from a medical practitioner stating that your gas supply is necessary to protect the life or health of a person who lives at the premises and you have entered into arrangements acceptable to us in relation to payment for gas supplied.
- (b) Unless disconnection:
  - (i) was requested by you; or

- (ii) is required by law; or
- (iii) occurred for emergency reasons; or
- (iv) was the result of a planned interruption (including a temporary unavailability of supply from the *gas network* to *you* due to *planned work*); or
- (v) was to prevent unauthorised utilisation (including if *you* have obtained any supply of gas at the *premises* in breach of any *regulatory requirement*),

we will not arrange for disconnection or disconnect *your* gas supply at the *premises* if:

- 1) *you* have applied for a government *concession* or grant, and the application has not been determined; or
- you have made a complaint to us, the network operator, the gas industry ombudsman, or another external dispute resolution body about a matter directly related to the reason for the proposed disconnection and the complaint remains unresolved; or
- 3) *you* have agreed to a *payment plan* or other payment option acceptable to *us*; or
- 4) *you* cannot pay *your* bill because of a lack of income or other means, and we have not done the things *we* must do in clause 11.7; or
- 5) *you* have not paid *your* bill, but the outstanding amount is less than an average bill over the previous 12 months, and *you* have agreed to repay the outstanding amount; or
- 6) *you* have an outstanding amount on *your* bill that relates to a *standard price*; or
- disconnection would occur on a Friday, Saturday, Sunday or public holiday in Western Australia, or on the day before such a public holiday or after 3.00pm on any other day; or
- 8) we have not given you information on any government funded concessions, including those outlined on our website.

#### 11.9 Reconnecting *your* gas supply

If your gas supply is disconnected under this clause 11, then we will arrange for the *network* operator to reconnect your gas supply when you ask us to reconnect your gas supply if we are reasonably satisfied that, within 10 *business days* after disconnection, the circumstances giving rise to the disconnection no longer exist and that it is safe to reconnect and no other circumstances are existing that would entitle us or the *network operator* to disconnect your gas supply under this clause 11 or any law.

For example:

- (a) if *you we*re disconnected for non-payment at the *premises* and *you* pay *us* all outstanding arrears plus any reasonable costs *we* incur in disconnecting and reconnecting *you*; or
- (b) we offer you and you accept an instalment plan, and you honour that instalment plan; or
- (c) if *you we*re disconnected for preventing access to the *meter* at *your premises* and *you* subsequently provide access to the *meter* when requested by *us* or the *network operator*; or

(d) if *you we*re disconnected for failing to provide any required *security deposit*, in whole or in part, *you* have subsequently provided the required *security deposit*.

If *your* gas supply is disconnected in an *emergency* situation (under clause 11.1), for life or health safety (under clause 11.2) or *planned work* reasons (under clause 11.3), then *we* will arrange for the *network operator* to reconnect *your* gas supply when *you* ask *us* if *we* are reasonably satisfied that, within 20 *business days* after disconnection, the circumstances giving rise to the disconnection no longer exist and it is safe to reconnect and there are no other circumstances existing that would entitle *us* or the *network operator* to disconnect *your* gas supply under this clause 11 or any law.

If we are obliged to reconnect your gas supply and you ask us to reconnect your gas supply at a time:

- (e) before 3.00pm on a *business day*, then *we* will use *our* best endeavours to reconnect *your* gas supply on the same day as *your* request; or
- (f) after 3.00pm on a *business day* or on a day that is not a *business day*, then *we* will use *our* best endeavours to reconnect *your* gas supply as soon as *we* can on the next *business day*; or
- (g) after 3:00pm on a *business* day, then *we* will use *our* best endeavours to reconnect *your* gas supply on the same *business day* if *you* pay the after-hours reconnection fee and *you* ask before 5:00pm.

We can charge you a fee for reconnecting your gas supply in certain circumstances – see clause 11.10.

This clause 11.9 does not apply to cases where disconnection is required under the *Gas Standards Act 1972* (WA).

#### 11.10 Consequences of disconnecting your gas supply

If we or the *network operator* at *our* request disconnects *your* gas supply in any of the circumstances under this clause 11, then:

- (a) we can or you can arrange for the *network operator* to remove or physically disconnect the *meter* at the same time that the supply of gas to you is disconnected, or at a later time; and
- (b) we can charge you a fee for all or any of disconnecting your gas supply, removing, or physically disconnecting the meter, reconnecting your gas supply and replacing or physically reconnecting the meter, as the case may be, except where the disconnection was due to:
  - (i) an *emergency* or health or safety reason, unless:
    - that *emergency* or health or safety reason was caused or substantially contributed to by *you* or anyone under *your* care, custody, or control or who was present at the *premises* with *your* permission; and
    - in the case of a health or safety reason where there was not also an emergency situation, you did not remedy the health or safety issue to our reasonable satisfaction within 10 business days of being requested to do so by us or the network operator, or
  - (ii) planned work the network operator needs to carry out on the gas network, other than planned work that was requested or otherwise caused or substantially contributed to by you or anyone under your care, custody, or control or who was present at the premises with your permission; and

(c) you must not reconnect the gas supply.

#### 11.11 Reporting illegal use

If we think you have used, or are obtaining, gas illegally, then we can advise the Director of Energy Safety, the *network operator* and the Police (as appropriate) and give them any information that we have in relation to your gas use.

#### 12. Gas supply

#### 12.1 The nature of the gas supplied to you

In order to sell gas to you, we ask the network operator to deliver the gas through the gas network.

The gas network is operated by the network operator, and we cannot control the way in which the network operator operates the gas network. For example, we cannot control the quality, volume or continuity of gas being supplied to you through the gas network.

As a result, the gas supplied to you:

- (i) may not be free from interruptions or changes in pressure or quality from time to time;
- (ii) will be of the quality of gas contained in the gas network; and
- (iii) may not suit *your* specific needs if, for example, *you* have specific goods or equipment at the *premises* that require a continuous gas supply free from interruptions or changes in pressure or quality.

There are things *you* can do to minimise the impact of these interruptions, changes, and other supply limitations so that *you* can protect *your* property and interests.

*You* are best placed to know *your* particular needs and how best to protect them. So, if *you* do have particular needs or specific goods or equipment that require a continuous gas supply free from interruptions or changes in pressure or quality, then *you* should take reasonable care to ensure *you*:

- (a) address *your* particular needs, including making suitable alternative arrangements (for example a back-up supply or alternative po*we*r s*our*ce);
- (b) protect persons, property, goods, and equipment at the *premises* from any loss, harm or damage that arises if the gas supplied to *you* is not free from interruptions or changes in pressure or quality; and
- (c) otherwise do what *you* reasonably can to mitigate *your* loss arising from any interruptions or changes in pressure or quality.

Further, as gas is by its nature inherently dangerous (including risks of explosion, fire, poisoning and asphyxiation) *you* must take care in relation to *your* use and treatment of gas supplied. *You* must only use gas with appropriate pipework, fittings, appliances, and installations that comply with applicable laws and relevant safety standards (including as regards to their proper installation, use and maintenance) and in accordance with the instructions for safe use provided by the manufacturer or a licensed gas fitter. For more information on gas safety please contact *Building and Energy*– Department of Mines, Industry Regulation and Safety.

#### 12.2 Operation of the gas network

As a gas retailer, we are not responsible for matters relating to the operation of the *gas network*. However, to assist *you* when *you* raise a concern with *us* about *your* gas supply, we can:

- (i) supply you with a copy of the distribution standards if you pay us a fee; and
- (ii) respond to a request about changes in the quality of *your* gas supply that exceed the distribution standards; and
- (iii) advise *you* about things *you* can do to avoid interfering with *gas network* equipment or another person's gas supply; and
- (iv) forward your concerns to the network operator.

#### 13. Liability

#### 13.1 Protected rights

- (a) If you are a Consumer, we may be taken to have given you certain Consumer guarantees under the Australian Consumer Law about the supply of goods (including gas) or services (if any) to you. If we fail to comply with those Consumer guarantees, then you may have rights against us under the Australian Consumer Law that we are prohibited by law from excluding, restricting, or modifying.
- (b) However, where any gas or other goods or services (if any) supplied under this contract are not of a kind ordinarily acquired for personal, domestic or household use or consumption, our liability for breach of any Consumer guarantee applicable to our supply of those goods or, if applicable, services under the Australian Consumer Law, is (to the extent permitted by the Australian Consumer Law) limited to any one or more of the following, as determined by us:
  - (i) the supply of equivalent goods or, as applicable, the supply of the services again;
  - (ii) the payment of the cost of acquiring equivalent goods or, as applicable, of having the services supplied again.
- (c) Nothing in this *contract* is to be taken to exclude, restrict or modify *Your Protected Rights* if and to the extent that *we* are prohibited by law from excluding, restricting, or modifying them. This applies whether or not *you* are a *Consumer*.
- (d) This clause 13.1 takes precedence over every other provision of this *contract* and applies despite any other provision of this *contract* to the contrary. If another provision of this *contract* has (or, but for this clause 13.1(c), would have) an effect that is inconsistent and conflicts with clause 13.1, then this clause 13.1 overrides that other provision and that other provision will not apply where and to the extent it is inconsistent and conflicts with clause 13.1.

#### 13.2 Other liability limitations

(a) Protected rights have priority

Your Protected Rights are not excluded, restricted, or modified by this clause 13.2, if and to the extent that such an exclusion, restriction or modification is prohibited by law.

(b) All customers – general exclusion of implied warranties etc

Unless this *contract* expressly provides otherwise, all conditions, warranties and guarantees *you* may have at any time in relation to this *contract* (including without limitation any rights of recovery or to compensation) however arising, are, to the maximum extent permitted by law, excluded. However, please note clause 13.2(a) which relates to *Your Protected Rights*.

#### (c) All customers - general exclusion of our Supply Related Liability

We supply gas, but we do not own or operate the gas network. The gas network is operated by the network operator. Unless otherwise expressly provided in this contract (such as, in clause 13.2(e)), in no event are we liable to you for any Supply Related Liability. However, please note clause 13.2(a) which relates to Your Protected Rights.

Although we, as a gas retailer, may not be responsible for *Supply Related Liability*, if *you* ask *us*, we will raise concerns that *you* may have in relation to *your* gas supply with the *network operator*.

(d) All customers – *our* statutory liability limitations still apply

To the extent *we* are liable to *you* for any loss or damage under this *contract*, that liability is limited to the fullest extent permitted under law, including the *Energy Operators (Powers) Act 1979* (WA) and the *Electricity Corporations Act 2005* (WA). However, please note clause 13.2(a) which relates to *Your Protected Rights*.

(e) Residential customers – additional limitations of our liability

If you are a residential customer, then to the fullest extent permitted by law we will not be liable to you for any loss, damage, or liability (including any excluded loss and any Supply Related Liability) arising for any reason under or in relation to this contract. However, that limitation does not apply to any direct loss (including any direct loss that is Supply Related Liability) you suffer or incur to the extent it is caused by our negligence. In no event are we liable to you for any excluded loss. However, please note clause 13.2(a) which relates to Your Protected Rights.

(f) Non-residential customers – additional limitations of *our* liability

If you are not a residential customer, then to the fullest extent permitted by law we will not be liable to you for any loss, damage, or liability (including any excluded loss and any Supply Related Liability) arising for any reason under or in relation to this contract. However, that limitation does not apply to any direct loss (other than any direct loss that is Supply Related Liability) you suffer or incur to the extent it is caused by our negligence. In no event are we liable to you for any excluded loss. However, please note clause 13.2(a) which relates to Your Protected Rights.

(g) All customers - *our* liability limitations are cumulative Each of the limitations of *our* liability in this clause 13.2 applies in addition to each and every other relevant limitation of *our* liability, whether provided in this *contract*, at law or otherwise.

#### 13.3 Indemnity

(a) Protected rights have priority

Your Protected Rights are not excluded, restricted, or modified by this clause 13.3, if and to the extent that such an exclusion, restriction or modification is prohibited by law.

(b) Indemnity

*You* must indemnify *us* fully against all and any loss, damage or liability of any kind caused by, consequent upon, or arising out of any acts or omissions on *your* part in relation to:

- (i) your breach of any term of this contract;
- (ii) your breach of any applicable laws; or
- (iii) your negligence, fraud, theft or other wrongful act or omission,

but only to the extent that such loss or damage was reasonably foreseeable as a possible consequence of *your* breach, negligence, fraud, theft or other wrongful act or omission, and that doing so would not be inconsistent and conflict with clause 13.1.

This indemnity is without prejudice to any other right or remedy *we* have and survives termination of this *contract*.

#### 13.4 Legitimate interests

The terms of this clause 13 (including those that exclude, restrict or modify *our* liability) are reasonably necessary to protect *our* legitimate interests, including in the circumstances and for the reasons outlined in clause 12 and by appropriating risks so as to help minimise *our* charges for gas for all *our* customers.

#### 14. Confidentiality of your information

- (a) Unless *we* are permitted to do otherwise under this *contract*, *we* will use and otherwise deal with *your* information and keep it confidential, subject to and consistent with *our privacy policy*. *Our privacy policy* sets out the steps that *we* take to ensure that *your* information remains confidential. In particular, but without limiting the above, *we* will keep *your* information confidential unless:
  - (i) we have your prior written consent; or
  - (ii) the law (including applicable privacy laws and any regulatory, accounting, governmental, Ministerial, or stock exchange requirement) requires or permits us to disclose it; or
  - (iii) we need to use the information for *our* regulatory reporting or compliance, or in any legal or regulatory proceedings; or
  - (iv) the information is already in the public domain; or
  - (v) we believe you have obtained or used gas illegally or in an unsafe manner and, as a result, we provide relevant information to the Economic Regulation Authority or the Director of Energy Safety, the *network operator* or the Police (as appropriate); or
  - (vi) we use the information for business purposes, provided that we will only do so subject to applicable laws and, if you are an individual purchasing gas for a private purpose, then we will only do so to the extent such use:
    - 1) does not cause a significant imbalance of the parties' rights and obligations arising under this *contract*; or
    - 2) is reasonably necessary in order to protect *our* legitimate interests from time to time; or
    - 3) does not cause you detriment (whether financial or otherwise); or

- 4) is otherwise permitted under any of paragraphs (i) to (v) of this clause (both inclusive).
- (b) We will ensure our privacy policy is consistent with applicable privacy laws. You can obtain a copy of our privacy policy, free of charge, either from our website at **synergy.net.au/privacy** or by requesting a copy from our customer service centre.
- (c) You agree to the above arrangements, including to the terms of *our privacy policy* and any use or disclosure of *your* information which is required or permitted by this *contract, our privacy policy,* applicable privacy laws or any other law.

#### 15. Complaints

#### 15.1 You can contact us with your complaints

If *you* wish to raise a complaint concerning *our* performance or *your* gas supply, *we* encourage *you* to contact *us* to discuss the issue. *We* will manage and consider *your* complaint consistently with *our customer complaints policy. We* will ensure *our customer complaints policy* complies with the Australian Standard on Complaints Handling AS ISO 10002:2006 as amended and in force from time to time.

If you are not satisfied with how your complaint is being managed, you may have the complaint considered by a more senior member of our staff. If you are not satisfied with our response to your complaint, you may request our response and reasons in writing. Should you remain dissatisfied with our response, you may raise the complaint with the gas industry ombudsman, whose contact details can be found in our customer complaints policy. You should always give us the opportunity to respond to your complaint before you refer it to the gas industry ombudsman.

In accordance with applicable laws, *we* may disclose information to state and federal government agencies, regulatory authorities or agencies with statutory functions for the purposes related to this *contract*. Such information includes *your* personal details relating to *concessions* or any written statement from a *medical practitioner* stating that *your* gas supply is necessary to protect the life or health of a person who lives at the *premises*.

#### 16.3 Change of information

#### **17. Ending this contract**

#### 17.1 When the *contract* ends

- (a) Unless *you* or *we* end the *contract* earlier under this clause 17, this *contract* continues for a period of 1 year from the day it came into effect. However, if 1 year passes without either *you* or *us* ending the *contract* under this clause 17, the *contract* is automatically rene*we*d for another 1 year period. This automatic renewal occurs each year until *you* or *we* end the *contract* under this clause 17.
