Western Power's fifth access arrangement review

Further access arrangement information on revised proposal

The Economic Regulation Authority has published [further access arrangement information](#) about Western Power's revised proposal on its network access arrangement. Western Power submitted the further access arrangement information under clause 4.16A of the *Electricity Networks Access Code 2004*.

Western Power submitted proposed revisions to its access arrangement on 1 February 2022 for the period 2022/23 to 2026/27. The ERA published its draft decision on Western Power's proposal on 9 September 2022. Western Power submitted a revised proposal in response to the draft decision on 15 November 2022.

The ERA expects to publish its final decision on Western Power's revised proposal by 31 March 2023.
