## Ocean Reef Renewable Energy Pty Ltd

### Consultation on electricity distribution and retail licence applications

The Economic Regulation Authority is seeking public comment on Ocean Reef Renewable Energy Pty Ltd's application for an electricity distribution licence to operate a microgrid at the Ocean Reef Marina and an electricity retail licence to sell electricity to customers connected to the microgrid. The Ocean Reef Marina is a greenfield mixed-use (residential and commercial) precinct located on the coast, 30km north of Perth in the City of Joondalup.

A summary of the [licence applications](#) is available on the ERA website.

The grant of the licences is subject to the ERA being satisfied that it would not be contrary to the public interest to do so and that the applicant:

- has, and is likely to retain,  
or
- will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised by the licences.

The ERA must also have regard to the matters set out in section 26 of the *Economic Regulation Authority Act 2003*, which include the long-term interests of consumers.

### Invitation for submissions

The ERA invites interested parties to make submissions on the licence applications.

Submissions close 4:00 pm (WST) Thursday, 16 March 2023.

Submissions should be lodged online using the form on our website  
[www.erawa.com.au/consultation](http://www.erawa.com.au/consultation).
