## Reference service proposal for the Goldfields Gas Pipeline

### Publication of submission

The Economic Regulation Authority has published a [submission](#) received as part of the consultation process for the [reference service proposal](#) for the Goldfields Gas Pipeline (GGP), which Goldfields Gas Transmission (GGT) operates.

The ERA only received one submission from the operator, GGT, during this consultation process.

The ERA has until 1 July 2023 to publish a decision on GGT's reference services. The reference service proposal process is the preliminary stage for a gas access arrangement review. The approved reference services will form part of GGT's access arrangement proposal for the fifth access arrangement period, which GGT must submit to the ERA by 1 January 2024.

GGT's next access arrangement is expected to commence in January 2025.
