2023/24 Price list for the Western Power network

Publication of Western Power's proposed price list

Western Power has submitted its [proposed 2023/24 price list](#) for network services to the Economic Regulation Authority for approval.

The ERA will determine whether the proposed price list meets the requirements of the *Electricity Networks Access Code 2004* and Western Power's approved access arrangement, including the approved tariff structure statement, and that any forecasts are reasonable.

The ERA expects to publish its decision on the proposed price list by 17 May 2023.
