

INSTRUCTIONS

To apply for an exemption / variation to exemption / revocation of exemption for a non-scheme gas pipeline, complete the relevant Part of the application form.

- Part A – if a service provider (owner, operator or appointed joint-venture manager) of a non-scheme pipeline would like to apply for an exemption under the National Gas Rules as applied in Western Australia.
- Part B – if a service provider would like to vary a condition (or conditions) of a current exemption.
- Part C – if a person would like a current exemption revoked (*Note: The person does not need to be a service provider to apply for a revocation*).

If the application is made by an authorised agent, proof of authority is required for the agent to act on behalf of the named applicants.

Attach any additional information/documents that you consider substantiate the application.

Complete the Statutory Declaration form below (further information on witnessing documents is available at www.courts.dotag.wa.gov.au).

Application forms (Part A, B or C) including any map showing the location of the pipeline will be included on the ERA's public register. If you provide confidential information in your application, you must also provide a redacted application form that is suitable for publication on the ERA's website (www.erawa.com.au).

Applications should be submitted electronically to publicsubmissions@erawa.com.au and marked attention Non-scheme Pipeline Administrator.
