Determination of WACC (2023) for rail networks

Publication of draft determination

The Economic Regulation Authority has published its [draft determination for the rail Weighted Average Cost of Capital \(WACC\)](#).

Each year, the ERA determines a long-term WACC to be applied in the establishment of capital costs for regulated railways each year, as required by the *Railways (Access) Code 2000*. Every five years, the ERA invites submissions on the WACC and makes a new determination of the WACC value.

Invitation for submissions

The ERA is seeking stakeholder feedback on the draft determination.

Submissions close 4:00 pm (WST) Wednesday, 28 June 2023.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
