Dear Steve,

### **Report to the Minister for Energy on the Australian Energy Market Operator's compliance 2021/22**

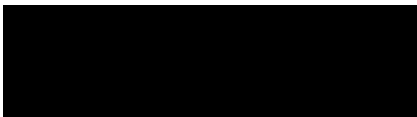

The Australian Energy Market Operator (AEMO) welcomes the opportunity to respond to the Economic Regulation Authority's (ERA) annual report to the Minister for Energy on AEMO's compliance for the period from 1 July 2021 to 30 June 2022 (Annual Report).

Under clause 2.14.5C(a) of the Wholesale Electricity Market Rules, AEMO accepts the Annual Report.

AEMO also consents to the ERA publishing responses provided by AEMO to the ERA relating to two matters of information confidentiality and details of AEMO matters investigated by the ERA as detailed in the Annual Report.

AEMO remains committed to all activities supporting power system security and will continue to maintain and evolve compliance management practices going forward. We look forward to working constructively with the ERA and the broader industry as we move towards the commencement of the new market systems and processes.

Yours sincerely

Kate Ryan
