ERA Access and Inclusion Plan

Public consultation

The ERA is developing its [Access and Inclusion Plan](#) for the period 2023 to 2027.

The new plan's development is an opportunity to establish access and inclusion as the default rather than the exception, and that all people benefit from measures that enhance access and inclusion. In recognition of this, the ERA has removed the word "disability" from the title but remains alert that this must not diminish the plan's role in making sure people with disability are able to receive the supports they need.

The ERA is seeking feedback on the plan.

Invitation for submissions

The ERA invites interested parties to provide feedback on the draft plan.

Submissions close 4:00 pm (AWST) Friday, 24 November 2023.

Submissions can be lodged online using the form on our website www.erawa.com.au/consultation.
