1 Purpose

This Financial Hardship Policy outlines how AQUASOL PTY LTD (“**we**”) will assist a residential customer (“**you**”) who cannot pay a rate notice because of financial hardship.

Our policy applies only to the **sewer services portion** of your rate notice. Residential tenants who have agreed with the land owner to receive a rate notice are also covered by this policy.

If you are also having difficulty paying other charges on your rate notice or if you are a commercial customer, we encourage you seek support from your retailer to assist with other aspects of your bill and also to still talk to us.

We are committed to work with you to find an appropriate payment solution that works for both you and us. We understand that it can be difficult to ask for support, and will treat you sensitively and respectfully.

2 What is financial hardship?

You will be considered to be in financial hardship if paying the sewer services portion of your rate notice will affect your ability to meet your basic living needs ¹— in short, if you have the intention but not the financial capacity to pay.

Financial hardship may, for example, be caused by:

- Loss of your or a family member’s primary income;
- Spousal separation or divorce;
- Loss of a spouse or loved-one;
- Physical or mental health problems;
- A chronically ill child;
- Domestic and family violence
- Budget management issues associated with a low income; and
- Other unforeseen factors affecting your capacity to pay, such as a reduction in income or an increase in non-discretionary spending.

3 Identifying customers in financial hardship

If you think you may be experiencing financial hardship, we encourage you to contact us as soon as possible. You may ask your financial counsellor to contact us on your behalf.

We will endeavour to assess within three business days whether we consider you to be in financial hardship. If we cannot make our assessment within three days, we will put your account on hold until we are able to assess whether you are in financial hardship. If you are assessed as being in financial hardship, we will also provide you with details of a financial counsellor as an option for you to consider.

As part of our assessment, we will consider any information provided by you and, if applicable, your financial counsellor. We will also consider any information we may have on your payment history. As soon as we have made our assessment, we will advise you of the outcome.

¹ Clause 22 of the *Water Services Code of Conduct (Customer Service Standards) 2018* defines financial hardship as “means being in an ongoing state of financial disadvantage in which the ability of a customer who is a residential customer to meet the basic living needs of the customer or a dependant of the customer would be adversely affected if the customer were to pay an unpaid bill;”.

4 Payment plans

If we determine that you are in financial hardship, we will offer you more time to pay the sewer services portion of your rate notice or a payment plan for this portion. We will not charge you any fees or interest as part of your extension or payment plan.

We will involve you and, if applicable, your financial counsellor in setting a payment plan base on how much you can afford to pay and determine a realistic amount based on your individual circumstance and, if relevant, your usage needs.

If appropriate, we will review and revise your extension or payment plan.

We do not have to offer you a payment plan if you have had two payment plans cancelled because of non-payment.

If you are a tenant, we must make sure that the land owner is aware of us giving you an extension or entering into a payment plan with you before we do so. We can agree that you notify the land owner of the proposed extension or payment plan (and provide us with evidence that you have done so), or you can give us permission to notify the land owner.

5 Debt reduction and collection

If you are in financial hardship, we will consider reducing the amount you owe us.

We will also not commence or continue proceedings to recover your debt:

- While we are assessing whether or not you are in financial hardship; or
- If you are complying with your payment plan or another payment arrangement you have with us.

If you do not comply with your payment plan or other payment arrangement, we may commence debt recovery proceedings. When collecting your debt, we will comply with Part 2 of the ACCC and ASIC's *Debt collection guidelines for collectors and creditors*.

We may outsource your debt to a debt collection agency. Please be advised that additional fees may apply in this case. We will ensure that any debt collection agency we engage will comply with Part 2 of the ACCC and ASIC's *Debt collection guidelines for collectors and creditors*.
