Australian Energy Market Operator second in-period allowable revenue and forecast capital expenditure

Draft determination

The Economic Regulation Authority has published the [draft determination](#) on Australian Energy Market Operator's (AEMO) request for additional \$59.2 million in allowable revenue and \$39.0 million in forecast capital expenditure for ongoing Wholesale Electricity Market (WEM) reform activities and operational requirements.

Following review of AEMO's [proposal](#) and supporting documentation, the ERA's draft determination provisionally approves \$27.7 million in allowable revenue and \$21.0 million in forecast capital expenditure.

The ERA is seeking feedback from interested parties on its draft determination and will consider stakeholder feedback when making its final determination. The ERA is holding an online stakeholder information session on Wednesday 22 May 2024 from 10:00 am to 11:30 am. If you would like to attend this event, please contact Market.Monitoring@erawa.com.au.

Invitation for submissions

The ERA invites interested parties to make submissions on the [draft report](#).

Submissions close 4:00 pm (WST) Wednesday, 29 May 2024.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
