Reference service proposal for the Dampier to Bunbury Natural Gas Pipeline

Publication of submissions

The Economic Regulation Authority has published [submissions](#) received as part of the consultation process for the reference service proposal for the Dampier to Bunbury Natural Gas Pipeline (DBNGP), which DBNGP (WA) Transmission Pty Ltd (DBP) operates.

The ERA received two submissions during this consultation process. One from the operator, DBP, and one from a shipper, South32 Worsley Alumina Pty Ltd.

The ERA has until 1 July 2024 to publish a decision on DBP's reference service proposal. The reference service proposal process is the preliminary stage for a gas access arrangement review. The approved reference services will form part of DBP's access arrangement proposal for the sixth access arrangement period, which DBP must submit to the ERA by 1 January 2025.

DBP's next access arrangement is expected to commence in January 2026.
