Alinta Energy's regional electricity licences

Minor amendment (change in entity name) to electricity integrated regional licences EIRL6, EIRL7, EIRL10 and EIRL11

The Economic Regulation Authority has approved a minor amendment to the electricity integrated regional licences EIRL6, EIRL7, EIRL10 and EIRL11 to change the licensee entity names from Alinta Energy to APA.

On 22 May 2024, APA group requested ERA to amend the licences to reflect that APA group acquired the above Alinta Energy entities:

- Alinta Energy Transmission (Roy Hill) Pty
- Alinta Energy DEWAP Pty Ltd
- Alinta Energy Transmission (Chichester) Pty Ltd
- Alinta Energy (Chichester) Pty Ltd.

APA group advised that there will be no change in the operation of the assets linked to these licences.

The ERA considers the change to the licences to be a minor amendment that does not require public consultation.

The amended licences and maps are available on the ERA's [Licence Holders webpage](#).
