Goldfields Gas Pipeline access arrangement 2025-2029

Revised proposal

The Economic Regulation Authority has published Goldfields Gas Transmission's (GGT) response to the ERA's draft decision on GGT's initial proposal for the fifth access arrangement period (AA5) for the Goldfields Gas Pipeline (GGP).

The ERA's draft decision detailed reasons why GGT's initial proposal was not approved and set out various required amendments. GGT submitted its revised proposal by the close of the revision period – Thursday, 5 September 2024.

GGT's response includes a revised access arrangement, access arrangement information and other supporting information, available on the [ERA website](#). GGT has also provided the ERA with confidential supporting information that will be assessed by the ERA in making its final decision.

Invitation for submissions

The ERA continues to invite interested parties to make submissions on the ERA's draft decision and GGT's response to the draft decision.

Submissions close Tuesday, 8 October 2024.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
