LANCELIN SOUTH WATER	
	Financial Hardship Policy

1. Purpose

This Financial Hardship document outlines the policy of how Lancelin South Water (**“we”**) will assist a residential customer (**“you”**) who is having difficulty paying a water bill because of financial hardship.

If you are a business customer, we encourage you to still talk to us.

Residential tenants who have agreed with the land owner to receive a water bill are also covered by this policy.

We are committed to working with you to find an appropriate payment solution that works for both you and us.

We understand that it can be difficult to ask for support. We will treat you sensitively and respectfully.

2. What is Financial Hardship?

You will be considered to be in financial hardship if paying your water bill will affect your ability to meet your basic living needs – in short, if you have the intention but not the financial capacity to pay.

Financial hardship may, for example, be caused by:

- loss of your or a family member’s primary income;
- spousal separation or divorce;
- domestic or family violence;
- loss of a spouse or loved-one;
- physical or mental health issues;
- a chronically ill child;
- budget management issues associated with a low income; or
- other unforeseen factors affecting your capacity to pay, such as a reduction in income or an increase in non-discretionary spending.

3. Identifying Customers in Financial Hardship

If you think you may be in financial hardship, we encourage you to contact us as soon as possible.

If you are seeing a financial counsellor, you may ask your financial counsellor to contact us on your behalf (refer to "[Form 16 Financial Counsellors](#)" on our web site for financial counsellors available in the Lancelin area).

We will endeavour to assess within five (5) business days whether we consider you to be in financial hardship.

If we cannot make our assessment within five business days, we will put a hold on your account until we can make the assessment. If you are assessed as being in financial hardship, we will also provide you with details of a financial counsellor as an option for you to consider.

As part of our assessment, we will consider any information provided by you and, if applicable, your financial counsellor. We will also consider any information we may have on your payment history.

As soon as we have made our assessment, we will advise you of the outcome.

4. Payment Plans

If we determine that you are in financial hardship, we will offer you more time to pay or a payment plan. We will not charge you any fees or interest as part of your extension or payment plan.

We will involve you and, if applicable, your financial counsellor in setting a payment plan. When setting the conditions of the plan, we will consider your capacity to pay and, if relevant, your usage history.

If you ask us, we will review your payment plan. If our review indicates that you are unable to meet your obligations under the plan, we will revise it.

We may not offer you another payment plan if you have had two payment plans cancelled because of non-payment without discussion with us, but we may take into consideration extenuating circumstances.

5. Debt Reduction and Collection

If you are in financial hardship, we will consider reducing the amount you owe us.

If you do not comply with your payment plan or other payment arrangement, we may commence debt recovery proceedings.

We will not commence or continue proceedings to recover your debt:

- while we are assessing whether you are in financial hardship;
- If you have been assessed as being in financial hardship; or
- if you are complying with your payment plan or another payment arrangement you have with us.

We may outsource your debt to a debt collection agency. Additional fees may apply in this case.

6. Restricting and Restoring Your Water Flow

If you cannot pay your bill by the due date, you need to contact us as soon as possible.

If your water bill remains unpaid for more than thirty (30) calendar days after the date due, we may fit a device to your water meter that will reduce the supply flow.

We will not reduce your water flow:

- While we are assessing whether you are in financial hardship;
- Within seven (7) days from the date of us offering you a payment plan or other arrangement;
- If you are in financial hardship and you are complying with your payment plan.

We will not cut off the water supply to an occupied residence without your agreement.

If we have reduced your water flow, we will restore it once you have either paid the amount you owe us or entered into a payment plan with us for that amount.

What is most important is that you contact us before it gets to that stage or seek advice from a financial counsellor (refer to Form 16 Financial Counsellors on our web site).

7. Useful Information

Redirection of water bill:

We will advise you of your right to have your water bill redirected to another person free of charge if you are absent or ill.

Payment options:

You may pay your water bill by Direct Debit, Centrepay, Centrelink Income Management if you are on that program, internet, telephone or post.

Centrepay is only available to customers who receive Centrelink payments. Paying by Centrepay is an easier way to manage your bills through weekly or fortnightly instalments. Refer to your daily usage for the average amount you should be directing to your account. You may need to make additional payments if what you contribute doesn't cover your bill.

For more information on your payment options, please contact Customer Service on 08 9655 1555 (refer to "[Our Contact Details](#)" section).

Financial Counselling:

Financial counsellors offer free, independent information to help you take control of your financial situation.

We will advise you of any financial counselling services or other organisations that may be available to you. A list of Financial Counsellors servicing the Lancelin area is maintained on our web site (refer to "[Form 16 Financial Counsellors](#)")

The Financial Counsellor's Association of WA (FCAWA) web site (<https://fcawa.org>) provides an interactive map showing location and addresses of financial counsellors, as well as several tools and resources that may be of assistance to you.

The National Debt Helpline can provide some preliminary advice and refer you to a financial counsellor in your area (Phone 1800 007 007; Web site: <https://ndh.org.au>)
