Arc Infrastructure

Standard access provisions

Arc Infrastructure has submitted its [standard access provisions](#) to the Economic Regulation Authority, as required by section 47A of the *Railways (Access) Code 2000*.

The standard access provisions show the standard terms and conditions that the railway owner would want to be included in any access agreement.

The ERA is required to approve the standard access provisions with or without amendment or determine what is to constitute this document.

The ERA has noted that Arc has given its submitted standard access provisions in two parts, titled “Track Access Agreement” and “Commercial Track Access Agreement”. The matter of naming conventions will be addressed in the approval process.

Invitation for submissions

The ERA invites interested parties to make submissions on Arc’s proposed standard access provisions.

Submissions close 4:00pm (WST) Tuesday, 10 June 2025.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
