## Arc Infrastructure

### Statement of the depreciated optimised replacement cost – additional supporting information

Arc Infrastructure has submitted its statement of the depreciated optimised replacement cost of applicable railway infrastructure to the Economic Regulation Authority for approval in accordance with sections 47J of the *Railways (Access) Code 2000*. The Authority published a notice inviting submissions on 16 June 2025.

The Authority has requested additional public information to supplement Arc's statement. Arc's first round of responses were published 11 July 2024, in conjunction with an extension of time for submissions until 11 August 2025.

Arc Infrastructure's responses to all public information requests have now been published on the [ERA website](#).
