## Public Transport Authority Arc Infrastructure Roy Hill Infrastructure

### Publication of Public Submissions – Railway Owners’ Part 5 instruments

ERA conducted public consultation on Public Transport Authority’s (PTA), Arc Infrastructure’s (Arc) and Roy Hill Infrastructure’s (RHI) train management guidelines, train path policy, over-payment rules, and standard access provisions, also known as Part 5 instruments.

ERA received the following submissions from interested parties:

1. Karara Mining – submission on Arc’s [standard access provisions](#),
2. Co-operative Bulk Handling (CBH) – submission on PTA’s [train management guidelines](#), [train path policy](#) and [standard access provisions](#), Arc’s [standard access provisions](#) and RHI’s [standard access provisions](#), and
3. Aurizon – submission on PTA’s [train management guidelines](#), [train path policy](#) and [standard access provisions](#), Arc’s [standard access provisions](#) and RHI’s [standard access provisions](#).

These submissions are now published on the ERA’s website.

ERA is providing decisions on railway owners’ Part 5 instruments on an individual instrument basis. Readers may refer to the one submission for stakeholder comments on multiple instruments.
