Public Transport Authority

Train Management Guidelines – Approval decision

The Economic Regulation Authority has published its [approval decision on the Public Transport Authority's \(PTA\) proposed Train Management Guidelines](#).

The ERA has approved the PTA's proposed guidelines with six amendments, including definitional and detail refinements and clarifications of some technical matters.

The PTA is required to update its proposed Train Management Guidelines to reflect these amendments and provide them to the ERA for publication by 28 August 2025.

The PTA's Train Management Guidelines relate to the management of trains on its railway network and set out principles, rules and practices that will be applied in the real-time management of train services.

The PTA provided its proposed Train Management Guidelines on 30 April 2025. The ERA published the proposed guidelines on its website and called for public submissions on 8 May 2025.

The ERA received two submissions. These submissions were published on the ERA's website on 24 July 2025.
