Dampier to Bunbury Natural Gas Pipeline access arrangement for 2026 to 2030

Revised proposal

The Economic Regulation Authority has published Dampier Bunbury Pipeline's (DBP) response to the ERA's draft decision on DBP's initial proposal for the sixth access arrangement period for the Dampier to Bunbury Natural Gas Pipeline.

The ERA's draft decision set out why DBP's initial proposal was not accepted and included 24 required amendments. DBP submitted its revised proposal by the close of the revision period on Tuesday, 19 August 2025.

DBP's response includes a revised access arrangement, access arrangement information (DBP's revised proposal/plan) and other supporting documentation, which is available on the [ERA website](#).

DBP has also provided the ERA with additional confidential supporting information that will be assessed by the ERA in making its final decision.

Invitation for submissions

The ERA continues to invite interested parties to make submissions on the ERA's draft decision and DBP's response to the draft decision.

Submissions close Wednesday, 17 September 2025.

Submissions can be lodged online using the form on our [Current Consultation webpage](#).
