Public Consultation Guidelines – Electricity, Gas and Water Licences and Electricity and Gas Standard Form Contracts

The Economic Regulation Authority has approved public consultation guidelines which outline the Authority's consultation practices related to licences and standard form contracts.

The document is intended to provide guidance regarding the process of public consultation that the Authority will undertake with regard to:

- The grant, renewal, amendment or transfer of:
 - electricity generation, transmission, distribution, retail and integrated regional licences
 - gas distribution or trading licences
 - water services operating licences.
- The review and approval of standard form contracts currently required only in the electricity and gas area.

The guidelines have been developed by the Authority in accordance with applicable legislation and after a public consultation process.

The guidelines are available on the Authority's website www.era.wa.gov.au
