Dear Mr Ryan

REVISED SUBMISSIONS ON TRAIN PATH POLICY AND TRAIN MANAGEMENT GUIDELINES TO APPLY TO WESTNET RAIL

I am pleased to advise that WestNet Rail's Train Path Policy (TPP) and Train Management Guidelines (TMG), dated February 2003 and as amended, are approved.

Would you please review the WestNet Rail Standard Access Agreement to ensure that it is consistent with the approved TPP and TMG. I would appreciate receiving a copy of the Standard Access Agreement as soon as it has been reviewed.

Thank you for your cooperation.

Yours sincerely

Dr Ken Michael
