EXTENSION OF TIME TO COMPLY WITH RING FENCING OBLIGATIONS FOR THE TUBRIDGI AND GRIFFIN PIPELINES (LICENCE NUMBERS WA: PL16 AND WA: PL19)

This is to advise that Boral Energy Resources on behalf of SAGASCO South East Inc (SAGASCO) as operator of the Tubridgi Production Joint Venture (TJV) has made application for a further extension of time to comply with the ring fencing obligations for the Tubridgi Pipeline (WA: PL16) and the Griffin Pipeline (WA: PL19).

Recognising that the proposed Access Arrangement for these pipelines is still being assessed, I have granted a further extension of time until 31 March 2000 for the TJV to comply with the ring fencing obligations for these pipelines.

The granting of this extension of time is in accordance with section 7.19 of *National Gas Pipelines Access Code for Natural Gas Pipeline Systems* (the Code).
