### **EXTENSION OF TIME TO SUBMIT A REVISED ACCESS ARRANGEMENT FOR THE GOLDFIELDS GAS PIPELINE**

Section 7.19 of the *National Third Party Access Code for Natural Gas Pipeline Systems* (Code) allows for the granting of any extensions to any time period in this Code on one or more occasions.

The Authority issued its Final Decision on 17 May 2005, which pursuant to section 2.16 of the Code required GGT to submit a revised Access Arrangement by 4:00pm on Tuesday 14 June 2005. GGT has requested an extension of time to submit a revised Access Arrangement.

This notice is to advise that the Authority has granted an extension of time for GGT to lodge a complete revised Access Arrangement by 4:00pm on Friday 17 June 2005. This extension of time has been granted on the condition that GGT lodge a submission on its proposed revisions to non-tariff matters of the Access Arrangement by 4:00pm on 14 June 2005. This extension is granted to enable GGT to meet reporting obligations it has to the owners of the pipeline.
