NOTICE

PROPOSED ACCESS ARRANGEMENT FOR THE KALGOORLIE TO KAMBALDA GAS PIPELINE (LICENCE NUMBER WA: PL 27)

On 1 December 2000, I issued a notice that granted Southern Cross Pipelines Australia Pty Ltd (Southern Cross), owner and operator of the Kalgoorlie to Kambalda Gas Pipeline, an extension of time to lodge a proposed Access Arrangement. This extension of time was granted until the earlier of:

- two years from the date of the notice, being 1 December 2002; or
- a date which is 90 days after the date on which a User or Prospective User approaches me to seek access to this pipeline.

On 26 February 2002, I received a letter from Burns and Roe Worley Developments Pty Ltd advising that they were seeking access to the pipeline. After further considering the issues raised with me by Burns and Roe Worley Developments Pty Ltd and Southern Cross, I decided on 27 March 2002 to extend the time for Southern Cross to lodge a proposed Access Arrangement for the Kalgoorlie to Kambalda Pipeline to 1 July 2002.

This extension of time was granted in accordance with section 7.19 of the *National Gas Pipelines Access Code for Natural Gas Pipeline Systems* (the Code).
